#### "Designer immigrants"

#### IRCC Minister, John McCallum:

"We must do more to attract students to this country as permanent residents"

"They know something about the country, so they should be first on our list of people who we court to come to Canada"

(March 14, 2016, The Globe and Mail, "Ottawa looks to ease international students' path to permanent" by M. Zilio and S. Chiose)

#### IRCC Minister, Ahmed Hussen:

"We want as many as possible to stay. Part of our push for higher levels but also for multi-year planning is to do exactly that, to have more space for international students and other skilled individuals who would like to live in Canada permanently, and to be able to land them." (February 15th, 2018, 97th meeting of the Standing Committee on Citizenship and Immigration)

#### Student visa requirements

Along with complying to other requirements,

"their ability or willingness to leave Canada"

(Study permits: Assessing the application; Policy, procedures and guidance used by Immigration, Refugees and Citizenship Canada staff)

CIC 2015 Evaluation of the International Student Program

"The evaluation found that there is a lack of an effective whole-of-government approach between federal departments regarding international students." (p.vi)

# International Education Strategy, 2014

Attracting more than **450,000** international students to Canada by 2022

Priority markets and so forth...including

"Economic Action Plan 2013 invested \$42 million over two years to increase the capacity of the Temporary Resident Visa Program"

**Retention?** 

One paragraph on Canadian Experience Class

"International students are well positioned to immigrate to Canada as they have typically obtained Canadian credentials, are proficient in at least one official language and often have relevant Canadian work experience."
